

Dear Sir and Madam,

I would like to introduce our company. We are architectural studio GEBAS atelier architects Ltd, from the Heart of Europe, Czech Republic. We consist of young architects. We were founded in 2002 and the developer and the chief architect is Ing. Arch. Miroslav Gebas. We are mainly focused on interiors, family houses and wooden buildings. Furthermore in our references you can also find sports and industrial buildings or development projects.

Our atelier wants to support and encourage young and future architects and construction engineer. So we offer a work placement in our company in the field of architecture and civil engineering. We have a lot of experiences with Erasmus program, Leonardo da Vinci program and many others.

Our projects you can see on our webpage or Facebook:
