*Internships In The West Of Ireland For European Students*

## Find an internship in Ireland!

Are you a graduate or undergraduate student in an European university? Are you looking for a great internship in an English speaking country? Maybe you have trouble finding an affordable and professional placement? **We may be able to help!**

Euro Internships is a new Irish company that places European interns in companies in the West of Ireland, where it is actually **affordable** to live. It will give you a sense of the real Ireland. Unlike other companies, **we don't charge any fee!**

We are looking for **enthusiastic, hard-working and eager candidates** that are ready to take up the challenge of working in a modern Irish business place and building up their CV!

**Is that you? Applying with us will be the next step in your professional career!**

## Why choose Ireland?

Many Irish companies are looking at the moment for international interns who want to learn more of the professional business life! They offer great internships programs, where students can bring their studies into practice and develop new business skills.

We offer internships in various fields, from Tourism to IT, from Marketing to Finance! We work together with excellent companies throughout the country.

**Choosing Ireland will only be a positive addition to your CV!**
