# STATEMENT

This statement is issued in connection with obtaining information on the functioning of the reference letter of April 7, 2023 allegedly issued by our company to the contractor X3D sp. z o.o. (a thumbnail of the reference letter is below).

We were surprised to hear that the contractor X3D sp. z o.o. presented reference letter which show that he provided us with the product "FastForm M180 3D metal printer". With this in mind, we declare that:

- 1) The reference in question has never been issued and signed by our company.
- 2) We have never cooperated with X3D sp. z o.o.
- 3) We have never purchased the printer mentioned in the testimonials from anyone.

In our opinion, the presented reference letter was deliberately fabricated.
